Security Agreement

1. The undersigned agrees that Anzo USA ("Seller"), will maintain a security interest in all goods that Seller sells and delivers to the undersigned ("Buyer"), and all proceeds thereof ("Collateral"). Buyer will refrain from moving the Collateral from its present location and will advise Seller on demand as to the location of all collateral in its possession. Buyer will execute on demand a UCC-1 or similar financing statement to perfect Seller's rights in the Collateral. If Buyer fails to execute such a document, Seller may do so and sign Buyer's name. Buyer irrevocably appoints Seller as its attorney-in-fact to place said signature on the document and record it with the appropriate authority.

2. If Buyer fails to pay as agreed, or otherwise defaults, Seller may possess the Collateral, and may enter onto private property and any structure to do so. Buyer is obligated to assemble the Collateral. If the Collateral is repossessed, Seller may exercise all rights of the Uniform Commercial Code or the similar statutes in any state where the Collateral is taken. Upon repossession, the Seller may sell without notice and at private sale, to the greatest extent allowed by law, and may sell in any commercially reasonable manner.

3. Seller has all rights under law. All rights are cumulative. Buyer will reimburse the Seller for any loss, damage, cost or expense, including without limitation reasonable attorney's fees and legal expenses, in connection with the exercise of any right or remedy pursuant to this Agreement. Service of process shall be effective if mailed to the applicable party at the address set forth herein.

4. Until payment is made in full of all obligations owing to Seller, Buyer will not assign or pledge the Collateral and will maintain the Collateral free and clear of all liens, claims, taxes and encumbrances, or any other third party interest (collectively, "Encumbrances"). Any such assignment, pledge or Encumbrance shall be void.

5. The terms and conditions of this Agreement apply to all sales made between the parties. The price, term of payment, delivery information, and all matters including warranty information placed on the front or reverse of the invoice delivered by Seller in connection with the sale shall be the terms of sale. If no payment terms are specified, then the terms of payment are C.O.D. Time is of the essence. The terms of Seller's invoice and this Agreement shall supersede any contrary terms in the Buyer's Purchase Order. I/We agree to the above and state that all information in the credit application is true, and Seller may check all credit sources, and the credit of any guarantors. If any information is false, then Seller can declare all sums due and owing and exercise any right to the Collateral.
