

Description: Head light
Part Number: 121063-121065-121050
Application: 1992-1995 Honda Civic 2/3 door

Tools needed: Phillips
screwdriver, wire splicer,
electrical tape, 10mm socket

Step 1: Remove the five screws
holding the bumper on.

Step 2: pull back the wheel well
cover to expose the screw and
unscrew.

Step 3: Unscrew the 10mm bolt
under the wheel well for the
front bumper

Step 4: Remove the two screws
holding the bottom bumper
shroud

Step 5: Take the bumper off.

Step 6: Remove the two 10 mm
bolts from the headlight brace.

Step 7: Remove the phillips
screw holding in the corner
light.

Step 8: Remove the two 10mm
bolts holding in the headlight.

Step 9: Remove the 3rd 10mm
bolt through the hole on the
radiator support guard.

Step 10: Now remove the last screw under the corner light.

Step 11: Take off the corner light and remove the bulb.

Step 12: Remove the headlight wire harness from the stock headlight.

Step 13: Configure the headlight conversion wire harness near the battery.

Step 14: Plug in one side of the Anzo conversion harness to the original headlight wire harness.

Step 15: Find a location for the ground wire, make sure this connector is to the body frame

Step 16: Connect the power connectors to the battery.

Run the wires to the side of the body out of the engine bay.

Step 17: Splice the red wires to the corner light, one red to power and other to ground.

Step 18: Now plug in the new conversion wire harness into the new Anzo head light.

Step 19: Twist in the corner light bulb.

Step 20: Bolt on the headlight and test all functions before driving.

AnzoUSA™ products are covered, by a limited one (1) year warranty, to be free of manufacturer's defects. However, certain AnzoUSA™ product categories have warranty policies which differ from this standard, please contact your representative for detailed category information. Damage due to improper installation or road hazards is not covered. Seller and manufacturers' only obligations shall be to replace the product proven to be defective. Neither seller nor manufacturer shall be liable for any injury, loss or damage, direct or consequential, arising out of the use of or the inability to use the product. Before using, user shall determine the suitability of the product for its intended use, and user assumes all risk and liability whatsoever in connection therewith.
